Losing a pet is a deeply painful experience, yet often misunderstood by many who see the beloved pet as “Just a pet.” *Our Last Walk: Using Poetry for Grieving and Remembering Our Pets* is a powerful resource for those experiencing pet loss and those who are supporting others who have lost a pet. Filled with powerful, authentic poems expressing loss, *Our Last Walk* helps the grieving person find words for their loss while sharing in the experience of others who have traversed that same painful journey. More than a book of tears, *Our Last Walk* also helps people to remember their beloved pet, preserving the love and memories of relationship. Through this book, many will find encouragement, healing, and hope.

Our Last Walk will strengthen those struggling with the death of a beloved pet, in original verse written by those who truly understand what it means to love, grieve, and honor the lives of our animal companions. The poems in these pages are thoughtful, heartfelt tributes to the creatures whose days are always too brief but so beautiful in passing.

Author, *Goodbye, Friend: Healing Wisdom for Anyone Who Has Ever Lost a Pet & The Soul of Animals*

What an incredible book! *Our Last Walk* is a book I find I cannot put down. The captivation was not only because I had recently lost a “dog love of my life,” but, I found these authors somehow knew me and my relationship with Taylor as if they had spent hours interviewing me. There is no better way to grieve, heal, and honor their life. I cannot thank Drs. Louis Hoffman, Michael Moats, and Tom Greening enough.
